AREAS OF EFFECTIVENESS

· Strong interpersonal and collaborative skills; able to establish excellent rapport with selection committees, project teams, District staff, and community stakeholders to ensure a shared vision and successful public art outcome.

· Conscientious, self-motivated, and enthusiastic artist who consistently delivers high-quality, site-specific mural projects on time while meeting technical standards and innovative design requirements.

· Exceptional illustrative, conceptual, and painting skills, with the artistic ability to translate nature- and spirit-animal-inspired concepts from initial sketches into vibrant, cohesive large-scale painted murals.

· Proven expertise in painting on slatted wooden exterior surfaces, demonstrating the patience and higher-level technical skill required to achieve seamless, durable results that celebrate local ecosystems while adhering to MPI and MPDA standards for outdoor murals.
